

Product: 3 Loop-black
Style: half up by yourself

1. Take the bang section of hair from both sides and brush into a partial ponytail in the middle of the crown of your head and take the center of the Loopy Twister and put it into your hair temporarily ignoring the rest of the hair and the other three loops. Then, pull and straighten the loops, so they are across the head evenly. Divide the hair in the pony into three sections.
2. Take the first section of hair on the right and pull it through the right loop tightening the band around the hair several times until it is secure leaving a loop. Take the second section of hair in the middle tightening the band around the hair a securing a loop in with the middle loop. And finally, take the last part of the hair and secure it with the left loop.
3. Pull and spread gently until you get the desired look. Fast and easy!

To Remove:

Pull each small strand of hair straight out until hair is freed. Then pull middle out like you would a regular ponytail and straighten out Loopy Twister for next use.
