

Product: 3 Loop-black
Style: Quick Ponytail

1. Take your hair and brush into a ponytail in the middle of the crown of your head, taking the center of the Loopy Twister, putting it into your hair ignoring the rest of the hair and the other three loops. Then, pull and straighten the loops, so they are across the head evenly. Leaving the front of your hair down. (You can leave up to a third of your hair down in the front.)
2. Take the first section of hair on the left and twist it, pulling it through the top right loop, tightening the band around the hair several times until it is secure leaving a pony. Take the next section of hair on the right and twist it and bring it into the top left side tightening the band around the hair a securing it. Take the hair that is in the middle, twist it and pull it straight back, then secure it with the center loop.
3. Pull and spread gently until you get the desired look. Fast and easy!

To Remove:

Pull each small strand of hair straight out until hair is freed. Then pull middle out like you would a regular ponytail and straighten out Loopy Twister for next use.
